New coronavirus

PROTECT YOURSELF AND OTHERS

Information for cross-border commuters and people travelling from affected areas in Italy

• Look out for symptoms resembling a respiratory infection (coughing, shortness of breath, etc.).
• Avoid large gatherings of people, such as sports events.

If you experience shortness of breath, have a cough or fever:

• Stay at home.
• Contact a doctor immediately by phone or call the coronavirus infoline.
• Avoid contact with those around you.
• Do not go directly to the doctor or to a hospital emergency room.

Wash your hands thoroughly.
Cough and sneeze into a tissue or the crook of your arm.
Stay at home if you have a high temperature and a cough.
