

“Tasks” of the External Evaluation’s Advisory Group

The Advisory Group provides advice and support.

- It provides feedback on the draft of the Terms of Reference of the evaluation mandate.
- It provides expertise (specialist knowledge).
- It participates in presentations and discussions on intermediate and final results.
- It verifies the accuracy of the draft of the final evaluation report (participes in the meta-evaluation).
- It plays an active role/collaboration in using the results.
