Federal government tightens measures against coronavirus

New rules throughout Switzerland:

- Reduced number of customers in shops
- Singing only permitted among family and in schools
- Rules for ski resorts
- 2/3 capacity in gondolas and cable cars
- Entry to restaurants only if a table is available
- Masks to be worn while queuing for and travelling on ski lifts and all other forms of transport
- Keep a distance of at least 1.5m metres when queuing

Strongly recommended:

- Two-household rule for private gatherings and meals at restaurants
- Work from home if possible

These rules still apply:

- Extended requirement to wear masks
- Events: maximum of 50 people
- Gatherings: maximum of 15 people
- No more than 10 people at private gatherings
- Rules for sporting and cultural events
- Discos and clubs closed
- Rules for restaurants
- Distance learning at higher education institutions

Please note: Stricter rules apply in certain cantons.

Reduce contact with other people
Wash your hands regularly
Wear a face mask
Keep your distance
