Liste des revues systématiques par thème abordé

Thème	Revue systématique
Risque de cancer	<i>The effect of exposure to radiofrequency fields on cancer risk in the general and working population: A systematic review of human observational studies – Part I: Most researched outcomes</i> Karipidis et al 2024
	<i>The effect of exposure to radiofrequency fields on cancer risk in the general and working population: A systematic review of human observational studies – Part II: Less researched outcomes</i> Karipidis et al 2025
	<i>Effects of radiofrequency electromagnetic field exposure on cancer in laboratory animal studies, a systematic review</i> Mevissen et al., 2025
Santé reproductive	<i>Effects of Radiofrequency Electromagnetic Field (RF-EMF) exposure on pregnancy and birth outcomes: A systematic review of experimental studies on non-human mammals</i> Cordelli et al 2023
	<i>Effects of radiofrequency electromagnetic field (RF-EMF) exposure on male fertility: A systematic review of experimental studies on non-human mammals and human sperm in vitro</i> Cordelli et al 2024
	<i>The effects of radiofrequency exposure on male fertility: A systematic review of human observational studies with dose–response meta-analysis</i> Kenny et al 2024
	<i>The effects of radiofrequency exposure on adverse female reproductive outcomes: A systematic review of human observational studies with dose–response meta-analysis</i> Johnson et al 2024
Fonction cognitive	<i>The effect of exposure to radiofrequency electromagnetic fields on cognitive performance in human experimental studies: Systematic review and meta-analyses</i> Pophof et al. 2024
	<i>The effects of radiofrequency exposure on cognition: A systematic review and meta-analysis of human observational studies</i> Benke et al 2024
Effets généraux sur la santé (acouphènes, migraines, symptômes auto-déclarés et symptômes non spécifiques) /	<i>The effects of radiofrequency electromagnetic fields exposure on human self-reported symptoms: A systematic review of human experimental studies</i> Bosch-Capblanch et al 2024
	<i>The effects of radiofrequency electromagnetic fields exposure on tinnitus, migraine and non-specific symptoms in the general and working population: A systematic review and meta-analysis on human observational studies</i> Röösli et al 2024

Biomarqueurs du stress oxydatif	<i>The effects of radiofrequency electromagnetic field exposure on biomarkers of oxidative stress in vivo and in vitro: A systematic review of experimental studies</i> Meyer et al. 2024
